Organizational Chart

Student Feedback mechanisms on Institutional Governance/Faculty performance	Online students feedback system on faculty performance is in place. At the end of each semester, all students appraise the performance of faculty in each of the subjects on a 30-point scale. If the performance is less than 22 points, the concerned faculty members are counselled by the review committee.
---	---

Grievance redressal mechanism for faculty, staff and students	Faculty and staff can bring their grievances to the notice of their respective Heads of the Departments. Heads will address the issues, if they are within their purview or else they will be addressed by the Principal and Director.
	Grievance redressal committee is in place. The students can approach the committee for redressal of their grievances. The students can also directly meet the Head of the Department, Deans, Principal or Director for the redressal of their problems.
